

## *Fudge Making Experience at Kilwins Milwaukee-Bayshore*

Join us for a **Fudge Making Experience** at *Kilwins Chocolates Fudge & Ice Cream* at Bayshore. Your private group will gather at *Kilwins* and handcraft Kilwins' Mackinac Island-style fudge in our Store Kitchen. We will guide you through the process and make a 17-pound batch of fudge beginning with the raw ingredients, cooking it in our copper kettle, then paddling and loafing the fudge on our half-ton marble table. This interactive event discusses the details of fudge making. Everyone will go home a slice of the fabulous fudge you make. Limited beverages and a snack are included.

Our kitchen space will accommodate a group of 10. This is perfect for Team Building, Girl's Day Out, birthdays and more. The Fudge Making Experience takes about one hour and forty-five minutes. Call us for pricing and to schedule.
