

Kilwins Fudge Making Experience

Please join us for a **Fudge Making Experience** at *Kilwins Chocolates Fudge & Ice Cream* which is located at the Bayshore Town Center. Your private group will gather at *Kilwins* to enjoy wine (or other beverage) and appetizers while you help us handcraft Kilwins' Mackinac Island-style fudge. You will prepare a 17-pound batch of fudge beginning with the raw ingredients, cooking it in our copper kettle, then paddling and loafing the fudge on our half-ton marble table. Everyone will take home a slice of the fabulous fudge that your group made.

The cost for your group is \$300.00 plus tax, and a group of 10 works well in our kitchen space. Best start times are: weeknights (excluding Friday) from 3-6 pm, or weekends 12-3 pm, but we do have some flexibility.

Contact Rick or BJ to book your Fudge Making Experience!

*Kilwins is sweet in every sense. The **sight** of the preparation, the **smell** of the confections and the **feel** of that sweet treat as you **taste** and savor it on your palate!*
